TITLE 3—THE PRESIDENT

EXECUTIVE ORDER 9991

CREATING AN EMERGENCY BOARD TO INVESTIGATE A DISPUTE BETWEEN THE PITTSBURGH & WEST VIRGINIA RAILWAY COMPANY AND CERTAIN OF ITS EMPLOYEES

WHEREAS a dispute exists between the Pittsburgh & West Virginia Railway Company, a carrier, and certain of its employees represented by the Brotherhood of Railroad Trainmen, a labor organization; and

WHEREAS this dispute has not heretofore been adjusted under the provisions of the Railway Labor Act, as amended; and

WHEREAS this dispute, in the judgment of the National Mediation Board, threatens substantially to interrupt interstate commerce within the States of Ohio and Pennsylvania to a degree such as to deprive those states of essential transportation service:

NOW, THEREFORE, by virtue of the authority vested in me by section 10 of the Railway Labor Act, as amended (45 U. S. C. 160), I hereby create a board of three members, to be appointed by me, to investigate the said dispute. No member of the said board shall be pecuniarily or otherwise interested in any organization of railway employees or any carrier.

The board shall report its findings to the President with respect to the said dispute within thirty days from the date of this order.

As provided by section 10 of the Railway Labor Act, as amended, from this date and for thirty days after the board has made its report to the President, no change, except by agreement, shall be made by the Pittsburgh & West Virginia Railway Company or its employees in the conditions out of which the said dispute arose.

TITLE 7—AGRICULTURE

Chapter VIII—Production and Marketing Administration (Sugar Branch)

[General Sugar Quota Regs., Series 10, No. 1, Amdt. 5]

PART 821—SUGAR QUOTAS

SUGAR QUOTAS FOR 1948

Basis and purpose. This amendment is issued pursuant to the Sugar Act of 1948 and is made merely for the purpose of correcting an error in the tabulation of additional prorations for certain foreign countries appearing in Amendment 4 to General Sugar Quota Regulations, Series 10, No. 1. In view of the nature of this amendment it is determined and found that compliance with the notice, procedure and effective date requirements of the Administrative Procedure Act is unnecessary. Also, since the error hereby corrected was made in Amendment 4 to General Sugar Quota Regulations, Series 10, No. 1, it shall become effective on the same date as such Amendment 4 becomes effective.

By virtue of the authority vested in the Secretary of Agriculture by the Sugar Act of 1948 (61 Stat. 922) and the Administrative Procedure Act (60 Stat. 237) General Sugar Quota Regulations, Series 10, No. 1 (13 F. R. 133) as amended (13 F. R. 1303, 3109, 4009, 4660) are hereby further amended to substitute in the tabulation set forth in § 821.6 (b) the figure "391,119" in lieu of "403,785" as the additional proration of sugar in pounds, raw value, to Venezuela.

Statement of bases and considerations. The statement of bases and considerations published with Amendment 4 to General Sugar Quota Regulations, Series 10, No. 1, stated that the additional deficit of 50,000 short tons of sugar established thereby for the Republic of the Philippines was being prorated to Cuba and other foreign countries on the basis of 95 percent to Cuba and 5 percent to such other foreign countries and that the additional quota for such foreign countries other than Cuba was being prorated, pursuant to section 204 (d) of the Sugar Act of 1948, to the Dominican Republic, Peru and El Salvador. Since no additional proration was being made to Venezuela, the tabulation in § 821.6 (b)

Chapter IX—Production and Marketing Administration (Marketing Agreements and Orders)

[Lemon Reg. 288, Amdt. 1]

PART 953—LEMONS GROWN IN CALIFORNIA AND ARIZONA

LIMITATION OF SHIPMENTS

Findings. (1) Pursuant to the marketing agreement, as amended, and Order No. 53, as amended (7 CFR, Cum. Supp., 953.1 et seq.; 13 F. R. 766), regulating the handling of lemons grown in the State of California or in the State of Arizona, effective under the applicable provisions of the Agricultural Marketing Agreement Act of 1937, as amended, and upon the basis of the recommendation and information submitted by the Lemon Administrative Committee, established under the said amended marketing agreement and order, and upon other available information, it is hereby found that the limitation of the quantity of such lemons which may be handled, as hereinafter provided, will tend to effectuate the declared policy of the act.

(2) It is hereby further found that compliance with the preliminary notice and public rule making procedure requirements and the 30-day effective date requirement of the Administrative Procedure Act (60 Stat. 237; 5 U. S. C. 1946 ed. 1001 et seq.) is impracticable, unnecessary, and contrary to the public interest in that the time intervening between the date when information upon which this regulation is based became available and the time when this regulation must become effective in order to effectuate the declared policy of the Agricultural Marketing Agreement Act of 1937, as amended, is insufficient for such compliance, and a reasonable time is permitted, under the circumstances, for preparation for such effective date.

Order, as amended. The provisions in subparagraph (b) (1) of § 953.395 (Lemon Regulation 288, 13 F. R. 4864) are hereby amended to read as follows:

(1) The quantity of lemons grown in the State of California or in the State of Arizona which may be handled during the period beginning at 12:01 a. m., P. s. t., August 22, 1948, and ending at 12:01 a. m., P. s. t., August 29, 1948, is hereby fixed as follows:

(i) District 1: 350 carloads.

(ii) District 2: Unlimited movement.

(48 Stat. 31, as amended; 7 U. S. C. 601 et seq.)

Done at Washington, D. C., this 26th day of August 1948.

Director, Fruit and Vegetable
Branch, Production and Marketing Administration.

PART 953—LEMONS GROWN IN CALIFORNIA AND ARIZONA

LIMITATION OF SHIPMENTS

§ 953.396 Lemon Regulation 289—(a)

Findings. (1) Pursuant to the market-

ing agreement, as amended, and Order No. 53, as amended (7 CFR, Cum. Supp., 953.1 et seq.; 13 F. R. 766), regulating the handling of lemons grown in the State of California or in the State of Arizona, effective under the applicable provisions of the Agricultural Marketing Agreement Act of 1937, as amended, and upon the basis of the recommendation and information submitted by the Lemon Administrative Committee, established under the said amended marketing agreement and order, and upon other available information, it is hereby found that the limitation of the quantity of such lemons which may be handled, as hereinafter provided, will tend to effectuate the declared policy of the act.

(2) It is hereby further found that it is impracticable and contrary to the public interest to give preliminary notice, engage in public rule making procedure, and postpone the effective date of this section until 30 days after publication thereof in the FEDERAL REGISTER (60 Stat. 237; 5 U. S. C. 1001 et seq.) because the time intervening between the date when information upon which this section is based became available and the time when this section must become effective in order to effectuate the declared policy of the Agricultural Marketing Agreement Act of 1937, as amended, is insufficient, and a reasonable time is permitted, under the circumstances, for preparation for such effective date.

(i) District 1: 300 carloads;

(ii) District 2: Unlimited movement.

(2) The prorate base of each handler who has made application therefor, as provided in the said amended marketing agreement and order, is hereby fixed in accordance with the prorate base schedule which is attached hereto and made a part hereof by this reference.

(3) As used in this section, "handler," "handler," "carloads," "prorate base," "District 1," and "District 2" shall have the same meaning as is given to each such term in the said amended marketing agreement and order. (48 Stat. 31, as amended; 7 U. S. C. 601 et seq.)

PART 974—MILK IN COLUMBUS, OHIO, MARKETING AREA

ORDER AMENDING ORDER, AS AMENDED

§ 974.0 Findings and determinations.

The findings and determinations herein after set forth are supplementary to and in addition to the findings and determinations made in connection with the issuance of this order and of each of the previously issued amendments thereto; and all of said previous findings and determinations are hereby ratified and affirmed except insofar as such findings and determinations may be in conflict with the findings and determinations set forth herein.

(a) Findings upon the basis of the hearing record. Pursuant to Public Act No. 10, 73d Congress (May 12, 1933), as amended, and as reenacted and amended by the Agricultural Marketing Agreement Act of 1937, as amended (hereinafter referred to as the "act"), and the rules of practice and procedure governing the formulation of marketing agreements and orders (7 CFR, Supps., 900.1 et seq.; 12 F. R. 1159, 4904), a public hearing was held upon certain proposed amendments to the tentative marketing agreement and to the order, as amended, regulating the handling of milk in the Columbus, Ohio, milk marketing area. Upon the basis of the evidence introduced at such hearing and the record thereof, it is found that:

(1) The said order, as amended and as hereby further amended, and all of the terms and conditions of said order, as amended and as hereby further amended, will tend to effectuate the declared policy of the act;

(2) The prices calculated to give milk produced for sale in said marketing area a purchasing power equivalent to the purchasing power of such milk as determined pursuant to sections 2 and 8e of the act are not reasonable in view of the price of feeds, available supplies of feeds, and other economic conditions which affect market supplies of and demand for such milk, and the minimum prices specified in the order, as amended, and as hereby further amended, are such prices as will reflect the aforesaid factors, insure a sufficient quantity of pure and wholesome milk, and be in the public interest; and

(3) The said order, as amended, and as hereby further amended, regulates the handling of milk in the same manner as and is applicable only to persons in the respective classes of industrial and commercial activity specified in a marketing agreement upon which hearings have been held.

(b) Determination. It is hereby determined that handlers (excluding cooperative associations of producers who are not engaged in processing, distributing, or shipping the milk covered by this order, as amended) of more than 50 percent of the volume of milk covered by the aforesaid order, as amended, and as hereby further amended, which is marketed within the Columbus, Ohio,

milk marketing area, refused or failed to sign the proposed marketing agreement regulating the handling of milk in the said marketing area; and it is hereby further determined that:

(1) The refusal or failure of such handlers to sign said marketing agreement tends to prevent the effectuation of the declared policy of the act;

(2) The issuance of this order, further amending the said order, as amended, is the only practical means, pursuant to the declared policy of the act, of advancing the interests of producers of milk which is produced for sale in the said marketing area; and

(3) The issuance of this order further amending the said order, as amended, is approved or favored by at least two-thirds of the producers who, during February 1948 (said month having been determined to be a representative period) were engaged in the production of milk for sale in the said marketing area.

ORDER RELATIVE TO HANDLING

It is therefore ordered, That on and after the effective date hereof, the handling of milk in the Columbus, Ohio, marketing area shall be in conformity to and in compliance with the terms and conditions of the aforesaid order, as amended, and as hereby further amended; and the aforesaid order, as amended, is hereby further amended as follows:

1. Add the following proviso to § 974.6 (a): "Provided, That such handler shall be credited with the average difference for the months of April, May, and June between the Class III and Class IV prices for skim milk, with respect to excess skim milk derived from producer milk received by him during any delivery period after March 31, 1949, which is disposed of by such handler during the following January, February, or March in the form of sweetened condensed skim milk to a person whose supply of milk is not produced under permits as specified in § 974.1 (g) (for the purposes of this proviso excess skim milk shall be determined by computing for each delivery period any plus balance resulting from the subtraction, for such delivery period, of (1) skim milk in other source milk allocated to Class III milk pursuant to § 974.4 (f), (2) the skim milk equivalent of sweetened condensed skim milk utilized in ice cream and ice cream mix, and (3) the skim milk equivalent of sweetened condensed skim milk disposed of to other handlers and to persons who are not handlers, from the sum of the skim milk equivalent of gross utilization in sweetened condensed skim milk and such balance, if any, for the preceding delivery period):"

2. Insert in § 974.6 (c) (3) following the words "as computed" the following "(to the nearest dollar per hundred-weight)."

PART 578—ADMINISTRATIVE RULES FOR WAR HOUSING INSURANCE UNDER SECTION 603 OF THE NATIONAL HOUSING ACT PURSUANT TO SECTION 610

MISCELLANEOUS AMENDMENTS

1. Section 578.5 is hereby amended to read as follows:

§ 578.5 *Fee to accompany application*. If the application is for a firm commitment or for a conditional commitment involving proposed construction, it must be accompanied by the mortgagee's check for a sum computed at a rate of three dollars (\$3) per thousand dollars (\$1,000) of the original principal amount of the mortgage loan applied for, to cover the costs of processing by the Commissioner, but in no case shall such sum be less than ten dollars (\$10). If an application is refused as a result of preliminary examination by the Commissioner, the fee will be returned to the applicant, but no portion of the fee will be returned after further work has been performed following the preliminary examination or on account of any difference between the amount applied for and the amount approved for insurance.

If the application is for a conditional commitment involving existing construction, it must be accompanied by the mortgagee's check for ten dollars (\$10) regardless of the amount of the mortgage. The balance, if any, of the fee as stipulated herein shall be payable upon and shall accompany the application for the firm commitment, if any, subsequently submitted pursuant thereto.

If the application is made on behalf of a veteran of World War II, for the insurance of a mortgage to refinance an existing insured mortgage which is in default, by reason of his military service, the fee herein provided may be waived by the Commissioner if he finds that the collection of such fee would be inequitable under the particular circumstances of the transaction.

2. Section 578.7 is hereby amended to read as follows:

§ 578.7 *Mortgage to be executed in connection with sale of housing by Government*. To be eligible for insurance the mortgage must be executed in connection with:

COMPREHENSIVE PLAN OF POSTMASTER GENERAL FOR TRANSPORTATION OF UNITED STATES MAIL BY RAILWAY COMMON CARRIERS IN PASSENGER TRAIN SERVICE

Whereas, it appearing that the order requested in the petition of the Post-

master General filed August 13, 1948 to clarify the Commission's notice and order of July 27, 1948 relating to the Comprehensive Plan of the Postmaster General for Transportation of United States Mail, filed July 2, 1948, may not be issued in time as requested in said petition for the reasons therein set forth, and

At a session of the Interstate Commerce Commission, Division 3, held at its office in Washington, D. C., on the 23d day of August A. D. 1948.

It appearing, that the practice of transporting certain refrigerator cars empty westbound to Washington diminishes the use, control and supply of such cars, and that the loading of those cars with non-perishables in lieu of box cars will reduce the shortage of box cars; in opinion of the Commission an emergency requiring immediate actions exists in the State of Washington. It is ordered, that:

§ 95.822 *Refrigerators For Box Cars to Washington.* (a) Any common carrier by railroad subject to the Interstate Commerce Act, for transporting:

(1) Westbound shipments in carloads originating at points shown as origin points in Agent L. E. Kipp's tariff, I. C. C. No. 1516, supplements thereto or reissues thereof, and destined to points in

the State of Washington may, when freight (except freight requiring refrigeration, ventilation, insulation or heater service at the time cars are furnished or transported) to be transported is suitable, and facilities are suitable, for loading in FGEX, WFEX, BREX, CX, FWDX, NP and NRC refrigerator cars and when such refrigerator cars are reasonably available:

(i) On shipments on which the carload minimum weight does not vary with the size of the car, furnish and transport not more than three such refrigerator cars in lieu of each box car ordered subject to the carload minimum weight which would have applied if the shipment had been loaded in a box car; or

(ii) On shipments on which the carload minimum weight varies with the size of the car:

(a) Two (2) of the said refrigerator cars may be furnished in lieu of one (1) box car ordered of a length 40'7" or less, subject to the carload minimum weight which would have applied if the shipment had been loaded in a box car of the size ordered; or

(b) Three (3) of the said refrigerator cars may be furnished in lieu of one (1) box car ordered of a length of over 40'7" but not over 50'7", subject to the carload minimum weight which would have

applied if the shipment had been loaded in a box car of the size ordered.

(b) *Tariff provisions suspended; announcement required.* The operation of all tariff rules and regulations insofar as they conflict with the provisions of this section is hereby suspended and each railroad subject to this section, or its agent, shall publish, file, and post a supplement to each of its tariffs affected hereby, in substantial accordance with the provisions of Rule 9 (k) of the Commission's Tariff Circular No. 20 (§ 141.9 (k) of this chapter) announcing such suspension.

(c) *Application.* (1) The provisions of Service Order No. 68, as amended, insofar as they conflict with this section are suspended.

(2) No car or cars subject to this order shall be stopped in transit to complete loading.

(3) Any car or cars subject to this order may be stopped in transit for partial unloading of not less than 10,000 pounds of freight, or of the entire contents of a car loaded to visible capacity, at any point in the territory west of a line, but not including, Chicago, Ill., through Peoria, Ill., and St. Louis, Mo., thence Mississippi River to the Gulf of Mexico, provided such stop-off is authorized in tariffs on file with this Commission.

(d) *Effective date.* This section shall become effective at 12:01 a. m., September 1, 1948.

(e) *Expiration date.* This order shall expire at 11:59 p. m., December 10, 1948, unless otherwise modified, changed, suspended, or annulled by order of the Commission.

It is further ordered, that Service Order No. 822 be vacated and superseded by this order on the effective date hereof; that a copy of this order and direction shall be served upon the Association of American Railroads, Car Service Division, as agent of the railroads subscribing to the car service and per diem agreement under the terms of that agreement; and that notice of this order be given to the general public by depositing a copy in the office of the Secretary of the Commission at Washington, D. C., and by filing it with the Director, Division of the Federal Register.

SECURITIES AND EXCHANGE COMMISSION

[File Nos. 54-63, 59-47]

REPUBLIC SERVICE CORP. ET AL.

NOTICE OF FILING OF AN AMENDMENT TO AN AMENDED JOINT PLAN OF REORGANIZATION

At a regular session of the Securities and Exchange Commission held at its office in the city of Washington, D. C., on the 24th day of August A. D. 1948.

In the matter of Republic Service Corporation and its subsidiaries, File Nos. 54-63, 59-47.

On April 29, 1948, the Commission issued its Findings, Opinion and Order approving an Amended Joint Plan of Reorganization ("the Plan") filed by Republic Service Corporation ("Republic"), a registered holding company, and by Irving H. Isaac, a preferred stockholder of Republic. On May 28, 1948, upon application filed by the Commission at the request of Republic, the United States District Court for the District of Delaware entered an order enforcing the Plan. On August 20, 1948, the Court, upon petition of Republic, entered an order which among other things granted leave to Republic and Isaac to file with the Commission an amendment to the Plan.

Notice is hereby given that on August 20, 1948, Republic and Isaac filed an amendment to the Plan pursuant to sections 11 (d) and 11 (e) of the Public Utility Holding Company Act of 1935. All interested persons are referred to said amendment, which is on file in the offices of the Commission, for a statement of the changes in the Plan therein proposed, which are summarized below:

Under the Plan of Republic it was proposed, among other things, to organize a new corporation in the State of Pennsylvania with an authorized capital of 100,000 shares of common stock. It was further proposed that the new corporation borrow \$950,000 and that 70,324 shares of its common stock be distributed to the preferred stockholders of Republic in the ratio of 4 shares for each share of preferred stock held. The Collateral Trust Bonds of Republic were to be retired at their face amount plus accrued interest and Republic was to be dissolved.

Under the amendment to the Plan, Republic proposes temporarily to defer activation of the new corporation in order that the stockholders of Republic may benefit from the capital loss carry-overs under section 117 (e) of the Internal Revenue Code which were the result of divestments of subsidiaries necessary or appropriate to effect compliance with section 11 of the act. It is further proposed that Republic will amend its Certificate of Incorporation under section 77A of the General Corporation Law of Delaware authorizing, among other things, the issuance of 100,000 shares of new common stock (to be known as "New Series Common Stock") par value of \$10.00 per share. Republic will borrow \$950,000, at an interest rate of not to exceed 3% per annum, and it will distribute 70,324 shares of New Series Common Stock to its preferred stockholders in the ratio of 4 shares for each share of

preferred stock held. These transactions proposed to be effected by Republic are the same, in substance, as those previously proposed in the Plan to be undertaken by the new corporation. In all other respects, including the retirement of the Collateral Trust Bonds of Republic at their face amount plus accrued interest, as heretofore approved by the Commission and the United States District Court for the District of Delaware, the Plan remains unchanged, and will be promptly consummated.

Notice is further given that any person may, not later than September 7, 1948, at 5:30 p. m., e. d. s. t., request the Commission in writing that a hearing be held on such matters stating the reasons for such request, the nature of his interest, and the issues of law or fact raised by said amendment which he desires to controvert, or request that he be notified if the Commission should order a hearing thereon. Any such request should be addressed: Secretary, Securities and Exchange Commission, 425 Second Street NW., Washington 25, D. C. At any time after September 10, 1948, said amendment, as filed or as modified, may be approved, provided the Commission finds the Plan, as so amended, necessary and fair and equitable to all persons affected thereby.

The Commission has been requested, in the event that this amendment to the Plan is approved, to apply to an appropriate District Court of the United States for an order to enforce and carry out the terms and provisions thereof.

By the Commission.

PUBLIC SERVICE CO. OF INDIANA, INC. AND
MIDDLE WEST CORP.

NOTICE OF FILINGS, ORDER OF CONSOLIDATION, AND NOTICE OF AND ORDER FOR HEARING

At a regular session of the Securities and Exchange Commission held at its office in the city of Washington, D. C., on the 23d day of August A. D. 1948.

Notice is hereby given that separate applications-declarations and certain amendments thereto have been filed with this Commission pursuant to the Public Utility Holding Company Act of 1935 ("act") by The Middle West Corporation ("Middle West"), a registered holding company, and by its subsidiary, Public Service Company of Indiana, Inc. ("Public Service"), an exempt holding company. Middle West has designated sections 9 and 10 of the act as applicable to the transactions which it proposes; Public Service has designated sections 6 (a) (2), 6 (b), 7 (e), 12 (e) and 12 (f), and Rules U-43, U-62, and U-65 as applicable to the transactions which it proposes.

All interested persons are referred to said applications-declarations, which are on file in the offices of this Commission, for statements of the transactions there-

in proposed which are summarized as follows:

Public Service proposes to split its common stock without par value on the basis of two shares for each share of such stock presently outstanding. In connection with such stock split, it proposes to amend its Articles of Consolidation, as amended, ("Charter") so as, among other things, to increase the number of shares of common stock authorized to be outstanding from 2,000,000 shares to 5,000,000 shares. Public Service states that as of June 30, 1948, there were 1,118,687 shares of common stock outstanding and 266,035 shares of common stock reserved for issue as required in effecting conversions of the company's Fifteen Year 2 $\frac{3}{4}$ % Convertible Debentures, Due May 1, 1962. Public Service proposes, promptly after the proposed Charter amendments become effective and without receipt by the company of any additional consideration, to issue to and in the names of the holders of record of the outstanding common stock at the close of business on the date the proposed Charter amendments become effective additional common stock on the basis of one additional fully paid share for each share held of record by such persons on said record date, and to reserve an additional 266,035 shares of common stock for issue in effecting conversions of said convertible debentures. No surrender of existing stock certificates will be required.

In connection with the above program, Public Service proposes to solicit proxies to be voted in favor of the adoption of the proposed Charter amendments from the holders of its presently outstanding common stock and 3 $\frac{1}{2}$ % Cumulative Preferred Stock. The company states that it may employ solicitors to assist the management in the solicitation of proxies.

Middle West is presently the owner of 224,586 shares of common stock without par value of Public Service, and proposes that it be allowed to acquire the additional shares if and when such shares are issued pursuant to the proposals of Public Service.

Public Service states that the proposed issuance of the additional common stock is subject to the jurisdiction of the Public Service Commission of the State of Indiana and that appropriate application thereto has been made.

It appearing to the Commission that it is appropriate in the public interest and in the interests of investors and consumers that a hearing be held with respect to said applications-declarations and that said applications-declarations shall not be granted or permitted to become effective except pursuant to further order of the Commission; and it appearing to the Commission that the applications-declarations involve common questions of law and fact and that evidence adduced in one of the proceedings may have a bearing upon the issues presented in the other proceedings and that a substantial saving of time and expense would result if the proceedings were consolidated:
